Announcing the DDA's "Park it Here" Program

The mission of the Northfield Township Downtown Development Authority is to undertake public improvements and activities that have the greatest impact in strengthening the business district and attracting new private investments.

To jump start the beautification of the Township's DDA district, the DDA is offering businesses within the district the opportunity to purchase a customized anchor bench at half price for use outside their location.

Benches are made by Sharpco Anchors in Harrison, MI—the same company that makes the "Welcome to Whitmore Lake" signs as shown to the left. Businesses may have their name and logo inscribed on the seatback of the weather resistant wooden bench. An example of the bench (shown to the right) can be seen locally at Griffith Veterinary Hospital on Jennings Road.

This bench normally sells for \$750. The DDA has worked out a special price of \$650 and will pay half of the cost of each bench ordered by businesses within the DDA district. The cost to the business is just \$325.

For more information or to order, please call Barb Griffith, DDA Board President at 734-449-7387.

Sponsored by the Northfield Township DDA.

Board members: Barb Griffith, President; Sam Iaquinto, Vice President; Dan Smith, Secretary; Sue Booth, Treasurer; and Linda Carlisle, Martha Kern, Mike McFarland, Mindy Vachow, and Doug Wilbur, Trustees.
