Request for Assistance **Identifying Criminal Sexual Assault Suspect**

At approximately 9:30 p.m. on Sunday, October 8, 2006 Officers responded to the area of US23 and Six Mile Rd for a reported Criminal Sexual Assault that had just occurred. It was report that an unknown subject entered the unlocked vehicle of a woman making a purchase inside a gas station at 6 Mile/US23. As the female drove away from the gas station, the subject sat up in the backseat behind her and put a knife to her neck. The subject told the woman to drive to the abandoned gas station across the freeway where he covered her head then forced her out of the car. He took her into the woods where he cut her with the knife and sexually assaulted her. Northfield Township Police Officers with the assistance from the Washtenaw County Sheriffs Department, Green Oak Township Police as well as the police K-9 from Livingston County Sheriff's Department conducted a search of the area but were unsuccessful in locating the subject.

The suspect has very distinct tribal tattoos on his forearms consisting of blue/green vine-like branches wrapping around the arm and curling to an end on the inside of the arm. The suspect also has tattoos on his back.

Below is the composite drawing of the tattoo and watch that were on the suspect involved. The watch is described as having a blue face with a silver band, possibly a Timex Indiglo watch. The suspect is described as a white male, between 20 and 30 years old, 5'10" with a muscular build, collar length strawberry blonde hair and muscular forearms.
